FINANCE AND COMMERCE.

New York Stock Market.

NEW YORK, April 27.—The industrial stocks were leaders of the speculation on the stock exchange to-day and were the only shares in which the fluctuations were at all important. There was good buying in this group and the final sales show an appreciation in values. The market was somewhat unsettled at the close, but the prevailing tone was steady.

During the week, the stock market was animated and at times buoyant. The distribution of business was wide and long neglected stocks were largely dealt in. Efforts and values were generally marked up. Commission houses reported an increase of orders and the foreign houses were heavy purchasers of the international stocks. As a rule the reactions were insignificant. To the improved trade conditions were due the buoyancy of Sugar, Tobacco and Leather preferred. The total transactions for the week were 1,554,800 shares, and 159 stocks being traded in.

Closing stocks were as follows:
Atchafalpa, 54; Adams Express, 143; Baltimore and Ohio, 56; Chesapeake and Ohio, 19; Chicago, Burlington and Quincy, 74; Chicago Gas, 72; C. C. C. and St. Louis, 41; Del. Lackawanna and Western, 158; Distillers and Cattle Feeders Co., 18; Erie, 12; Erie preferred, 24; Great Northern preferred, 103; Lake Shore, 14; Lead Trust, 34; Louisville and Nashville, 56; National Cordage, 6; National Cordage preferred, 10; N. TRIAL OF OSCAR WILDE.

Most of Previous Testimony Repeated—Trial Adjourned Until Monday.

LONDON, April 27.—The trial of Oscar Wilde and Alfred Taylor, charged with serious misdemeanors, was resumed at the Old Bailey court to-day, with a large attendance. Alfred Wood was examined and was then cross-examined by Sir Edward Clarke, Q. C., by the counsel for Wilde, but his evidence was not shaken. Frederick Atkins, described as a variety singer, gave evidence as to knowing Alfred Taylor and others mentioned during the trial. This witness was also questioned by counsel with the view of showing that he had received 500 pounds from a foreign count, whose yacht was lying at Scarborough, but the witness denied having received the money.

After Atkins had repeated his previous testimony concerning his intimacy with Wilde, and told how he accompanied him to Paris as his secretary, Sir Edward Clarke severely cross-examined him, endeavoring to show that Atkins was a professional blackmailing agent, and that he had blackmailed gentlemen at Nice, Paris, and various other places. During the cross-examination Sir Edward Clarke asked: "Did you, two years ago, extort a large sum of money from two Americans who were staying at the hotel Victoria?" Atkins in reply said that he had not blackmailed the two Americans. The names of the Americans alleged to have been blackmailed did not transpire.

When Edward Shelly, the former employee of the publishers, Matthews & Lane, was testifying and was asked to tell the jury what had occurred in Oscar Wilde's rooms, the witness pathetically appealed to counsel to read it from his former deposition and thus spare him the shame of repeating it. Counsel, however, made the witness repeat his story. The day was occupied by the examination of the same witnesses who have already been called to the stand and the testimony was of the same character as already outlined. The trial adjourned to Monday.

SENSATIONAL ARRESTS.

Several Parties Charged With the Murder of an Englishman.

GUTHRIE, O. T., April 27.—A big sensation has been caused here by the arrest last night of W. H. Thore, president of a leading investment company, and O. C. Seely, a prominent contractor, on the charge of the murder of Frank Ledgers, the young Englishman whose body was found in the river last September and the cause of whose death remained a mystery until the English government sent a detective here a few weeks ago.

He at once went to work, and, besides these two men, has arrested Wm. Knowles, a member of the police force and Frank Thorne, a negro porter of a notorious resort, all charged with being implicated in the murder.

When the body was found, a watch and considerable loose change was found in the pocket which seemed to ally the suspicion of robbery, but several thousand dollars young Ledger should have been brought from England were never found, and as he boarded at Thorne's whom he had known in England, it is alleged by the officials that Thorne wanted him out of the way to get his money.

The W. O. C. U. and Female Suffrage.

SAVANNAH, Ga., April 27.—The State convention of the Women's Christian Temperance Union was to have discussed the question of female suffrage at its session to-day, the Atlanta contingent having given notice of the introduction of a memorial to that effect. The Rev. J. O. A. Cook, of Trinity Methodist Church, in whose basement the convention is meeting, has notified the convention that it must vacate if it intends to consider female suffrage or other political questions. The Atlanta delegates threaten to bolt if female suffrage is not adopted and to start an independent movement.

Severe Wind Storm in Alabama.

MONTGOMERY, Ala., April 27.—Information has reached here that a severe wind storm passed over Snowden, ten miles south of this city, at 6 o'clock last night, doing great damage. O. J. Jos. Callaway's farm house was blown down and one of its occupants, Bryant Arrington, a negro, was killed. The barn on the same farm was blown down, and three Jersey cows were killed. Particulars are meagre, but it is feared that there are other casualties in the neighborhood. The storm was accompanied by a terrific downpour of rain and hail.

It's a Grand Success.

The fact has been demonstrated by the thousands of testimonials the Mayers Drug Company, of Oakland, Md., has received since it sent its famous Mayers' Magnetic Catarrh Cure out to the sufferers of catarrh. No medicine has received such an endorsement from the people in so short a time as it did. The makers sell the medicine on business principles, and a patient is not required to buy the medicine by the dozen to get a cure. The Mayers' Magnetic Catarrh Cure sells for \$1 per bottle, one bottle to last for a three month's treatment. 3 bottles is the highest record ever required to complete a cure. General catarrh one bottle is guaranteed. No cure, no pay. This is an unequalled offer and if you are a sufferer from catarrh get a bottle from your druggist, if no benefit derived costs you nothing. A prominent R. R. conductor speaks:

CUMBERLAND, Md., April 28, 1893. To The Mayers Drug Co., Gentlemen:—Yours to hand, in reply will say that I have the highest regard for your Catarrh Remedy, my trouble is in a chronic form and expect to use more than one bottle. I used one bottle which removed the trouble from the head in good shape and am on the second bottle for throat trouble, if I should succeed with the latter as I did in the former I shall write you again in the near future. Hoping it will do for the suffering humanity what it did for me, I remain Yours truly,

G. J. SCHMUTZ.
